

2012 Barbera Estate Barrel #1

Inaugural vintage of the Langman Estate Winery

This is the first wine from the harvest at Langman Estate Winery. We harvest only the perfect fruit so there was only one barrel of this special wine. This is an elegant high elevation Barbera with a rich nose and a palate of deep dark berries, black licorice, vanilla and a great finish.

Winemaker Notes: *2012 was a good growing season in the Sierra Foothills of California. There was a long string of 95 degree and higher days, but wide diurnal temperature changes allowed the grapes to ripen during the days while cooling during the nights.*

Fruit Source: *100% Estate grown, Vincent Henry's Vineyard, 2,400 Ft. elevation.*

Oak Regime: *100% French Oak, 20% new, 36 months, medium toast.*

Harvest Date: *9/17/2013*

Bottled: *2/12/2016*

Finished Wine: *13.8% Alcohol by volume.*

Production: *1 Barrel (28 cases)*

Price: *\$50/Bottle*
